Dear 

This is to confirm my invitation to you to speak to the East Asia Colloquium at this University some time in the spring of 1982 on "An Overview of Chinese Politics on the Eve of the Twelfth Party Congress."

The sessions of the Colloquium are off the record and are attended by a mixture of students and faculty from local universities including this one, active and retired officials and military people, and others interested in the area. Our speakers have included many officials, including personnel of your Agency, and as far as I know there has never been any problem in consequence of such appearances.

I hope very much that it will be possible for you to speak to us.

Sincerely yours,

A handwritten signature in cursive script that reads "Harold C. Hinton".

Professor of Political Science
